Keeping our tamariki safe

 **SUZUKI**

# Our gift to you

Whether or not it's your first child, the moment you've buckled them in and start to drive, everything feels different. The safety of your precious cargo is paramount, and this comes down to how you drive, what you drive, and what they're seated in.

## THE SUZUKI PARENT PROMISE

For your piece of mind and their protection, we will give you a Whānau Āwhina Plunket recommended ISOFIX<sup>†</sup> car seat valued at \$299 for FREE, when you purchase a new Suzuki car.

It's part of our ongoing commitment with Whānau Āwhina Plunket to keep our children safe around vehicles, and in the community.

**Affordable, reliable, and safe cars. That's the Suzuki Parent Promise.**
